THIS WEEKEND'S COFFEE HOSTS: BIRTHRIGHT OF BARRIE

Birthright was started in 1968 in Toronto by Louise Summerhill who wanted to provide women who were experiencing an unplanned pregnancy an alternative to abortion. She believed that it was the right of every woman to give birth and the right of every child to be born. Birthright is now an international organization with more than 400 chapters worldwide. Our Barrie office has been opened since October 1979 and we are currently located at 109 Bayfield St. Our volunteers offer emotional, financial, and community support in a loving and non-judgmental way to the pregnant women who come to us or call. We operate solely on private donations and fundraising. Our Mother's Day Rose Sale is our main fundraising event and we appreciate the wonderful support we have always experienced at St. Mary's Parish and many of the other churches in our city and surrounding area.

DID YOU FORGET YOUR DIAPERS THIS WEEK?

If you forgot them this week, the CWL would be happy if you bring them next week. All donations will be going to GAP.
