Dear Communion Minister,

Please be attentive during the time of renovations to the unevenness in the floor.

Two points of procedure:

- 1). 12 feet in from the door means you are 4 yards or 4 metres in from the door, not by the side doors. All communicants should be turning at the front of the church to face the altar before receiving communion. If this is not clear, speak to Fr. Frank.
- 2). If you minister the cup would you please remember to finish the Blood of Christ if at all possible. If the cup is empty, put it on the credence table not on the altar.

Thank you for all you do.

Fr. Frank
